NEW IN 2018

In 2018, we embarked on our second year-long “Big Learn” project — Twinsburg Makes Music. Based on the success of 2016’s Twinsburg Speaks Spanish, programs, databases, and classes focused on educating the community about the benefits of music. Patrons even learned how to play ukuleles!

The Library hosted its first Naturalization ceremony to kick-off the beginning of our citizenship classes.

CLEVNET instituted automatic renewals, allowing patrons access to materials without worrying about fines.

Thanks to an agreement between the Ohio Public Library Information Network (OPLIN) and LinkedIn, all Ohio library cardholders have access to Lynda.com, an online training service that provides access to more than 6,600 courses on everything from computer programming to playing the guitar.

Generous donations made in memory of Joan Domeck and cooperation with ArtsNow of Summit County helped us launch the Joan Domeck Community Connections Program. Patrons may checkout passes to the Akron Zoo, Hale Farm & Village, Akron Art Museum, and the Akron Children’s Museum.

We conducted a community survey to find out how we can help our community cope with the opioid crisis. The Library now distributes Deterra bags to the public and hosts a monthly “SMART Recovery” group that helps empower people to achieve independence from addiction problems.

The Twinsburg Public Library...

Informs, entertains, educates, and inspires the members of the communities it serves.
Provides space to speak, think, meet, work, and create.
Connects users to tangible & intangible resources to transform or enhance their lives.
