ABOUT THE FRIENDS

The Friends of the Twinsburg Public Library is a volunteer, non-profit organization made up of dedicated individuals who donate their time and money to benefit the Library. Friends support the Library in its mission to provide continued excellence in the areas of literary and educational programs for the community. The organization is managed by an executive board that meets monthly. From its inception on June 23, 1994 through the present, the group has raised over $250,000 and funded more than 500 programs a year. Friends believe that a strong library is a valuable cultural, educational, and recreational resource for the community.

We are looking for new members to share their talents, skills, and ideas. We know your time is valuable, so volunteer two-hour shifts can be tailored to your availability.
